

Part of letter of Mr. Redfield
to Dr. Gray

I have left with Messrs. E. & J. Poppe, directed as you mention,
a package containing the series of our "Annals" complete as far as published,
and enclose herein a receipted bill for the same, agreeably to your
request. — No^o ~~546~~⁶⁴⁷ of the present volume will be issued in a week
or two.

I may also mention that Dr. Engelmann, was last evening unanimous-
ly elected a Corresponding Member of the Lyceum.

As we have now resumed our publication with a good prospect of
its continuance, we should be happy to receive communications from
our old friends & correspondents. In the department of Botany we are
now specially weak, and any original papers on this branch would be
highly valued.

Yours most Sincerely
John H. Redfield
Corresp. Sec. L. N. H.
